

Total Purchasing Solutions
Accountable, Accurate Pricing

Electronic Price Verification

Distributor invoices are electronically audited for contract compliance.

Spend Management Tools

Our custom built software application turns your Food & Beverage purchase data into highly intelligent information. This helps you make swift well-informed, and accurate decisions.

Contract & Rebate Management

Buyers Edge provides contract and rebate programs for over 350 manufacturers. They cover over 165,000 products to supplement your current arrangements.

Beyond Prime Programs

Buyers Edge offers a variety of additional discounts on operational supplies and equipment covering a range of programs such as linen, uniforms, smallwares, maintenance, etc.

Produce Management

Buyers Edge has direct contracts with growers to reduce costs while maintaining quality and tractability.

Reduce Your Food & Beverage Costs

Buyers Edge is your purchasing partner who works with your distributors to give you access to our manufacturer contracts and rebates on items you currently purchase, resulting in lower Food & Beverage costs.

Manufacturers

Get contracted pricing and rebates from top manufacturers!

Take advantage of more than 350 manufacturer programs on over 165,000 products.

Our contracts are custom-designed to offer aggressive pricing programs on the products that matter most to our clients.

Beyond Prime Programs

Enroll in a number of programs that offer savings on operational supplies and equipment

- Chef apparel
- Music & phone services
- First aid supplies
- Guest bath amenities
- Lighting, maintenance, electrical, etc.
- Office supplies
